

BEVERAGE MENU

Our wine list is a celebration of some of the most exquisite wines from prestigious vineyards to lesser-known boutique producers across the globe.

We like to understand the journey from vineyard to glass, and highlight wines that speak of their origin, and are true to style.

We invite you to browse our selection and choose from our extensive list of Australian wines, as well as wines from the best regions of France, Italy, Spain, Greece, Argentina & Chile.

SINGLE MALT SCOTTISH WHISKY

A single malt whisky is one that is produced only from malted barley at one single distillery. Since The Glenlivet released the first legal single malt in 1824, the category has developed a cachet of elegance and complexity that has never wavered. The great beauty of malt whisky lies in the fact that there are so many different styles and flavour characteristics within the category. We've searched high and low to bring you a unique and evolving whisky collection.

HIGHLANDS & SPEYSIDE

These are epitomised by those from its famous sub region known as Speyside, which has the highest concentration of malt distilleries; over half of those throughout Scotland in fact. Because they cover such a wide region, the styles vary greatly, but quite often they tend to be light to medium bodied, showing grassy and floral notes, dried fruit and heather honey, backed up by tones of orchard fruits and spice.

Glenmorangie The Original	15	Muirhead's Silver Seal 12 y.o	16
Glenmorangie 18 y.o	38	Oban 14 y.o	29
The Glenlivet 12 y.o	15	Glenfiddich 18 y.o	33

ISLAY

The most distinctive and complex whiskies of all are those that hail from Islay, an island located just off the west coast of the mainland. They are known for their strong peatiness, backed up by coastal influences such as sea air, iodine and seaweed. All along and up the coast the harsh environments take hold of the whiskies, from Arran to Orkney, creating robust, warming drams, perfect for the hip flask on that trek to the end of the Loch.

Laphroaig 10 y.o	21	Lagavulin 16 y.o	35
------------------	----	------------------	----

LOWLANDS

These tend to be light in body with soft grassy notes, some sweet fruit and a lovely maltiness. They make nice aperitif whiskies; can be easy introductions to the novice malt drinker, or for those wanting a complex, soft but ethereal malt, such as Glenkinchie

Glenkinchie 12 y.o	23
--------------------	----

IRISH WHISKY

From just across the water comes a completely different dram all together: The Irish Pure Pot Still. Made in just a handful of distilleries these days, the Irish were responsible for one of the liquor industry's greatest breakthroughs: Continuous Distillation. This meant that a spirit could be produced faster, in higher volumes and with greater purity than its counterparts to the east. The result is a lighter, malty, smooth and at times honeyed spirit.

Jamesons 11.5

JAPANESE WHISKY

Japanese whiskies are crafted in the Scottish style. They lie between Lowland and Speyside in style. Delicate and perfumed with honeyed sweetness. One regularly hears them described as being smooth, but that is doing them an injustice. Light sherry and floral notes, sometimes they have been peated for a smoky, quasi Islay style
